### **Axio Research Scientific Director named a Fellow of the Society for Clinical Trials**

*Seattle, WA - May 30, 2008* – **Axio Research** is proud to announce that Ruth McBride, Scientific Director, has been named a Fellow of the Society for Clinical Trials. For 30 years the SCT has served as “an international professional organization dedicated to the development and dissemination of knowledge about the design, conduct and analysis of government and industry-sponsored **clinical trials** and related health care research methodologies.”

Ruth McBride was Deputy Director for the Coordinating Centers for the Stroke Prevention in Atrial Fibrillation Studies, the Cardiac Arrhythmia Suppression Trial, and the Antiarrhythmic Versus Implantable Defibrillator trials. In addition, she has served on the Board of Directors for the **Society for Clinical Trials** and as the co-editor of a special supplement to *Controlled Clinical Trials* on **clinical data management**. Ms. McBride holds a ScB in Applied Mathematics from Brown University.

### **About Axio Research Acquisition Co. LLC**

Axio Research was founded in 1979 as a corporation dedicated to scientific advancement and discovery. Our founders are internationally recognized experts in the fields of biostatistics, epidemiology, and medicine. During the past two decades, Axio's range of service has encompassed both government-sponsored **clinical trials** and **full contract research services** for commercial clients. Our senior scientists bring a wealth of knowledge and experience to all of our studies. Axio's talented group of employees is dedicated to working with our clients to produce thorough, comprehensive **clinical trial management**. We draw from our pool of biostatisticians, project managers, physicians, data technicians, and computer programmers to create a team whose collective experience best fits a client's needs. We provide **statistical and computer services including database design and consulting, data entry, data forms design, automated data collection systems and statistical analysis and interpretation**.
