Axio Research Acquisition Co. LLC to Exhibit at the Society of Toxicology 47th Annual Meeting

SEATTLE—March 6, 2008-- Axio Research Acquisition Co. LLC, a premier provider of biostatistics services to pharmaceutical and healthcare providers, recently announced that it will be an exhibitor at the Society of Toxicology 47th Annual Meeting. The meeting will be held March 16-20 at the Washington State Convention Center in Seattle, Washington. Axio will also host a networking reception for all meeting attendees at the Sheraton Seattle Hotel from 6:00 p.m. to 8:00 p.m. on Tuesday, March 18, 2008.

The Society of Toxicology is the largest toxicology meeting and exhibition in the world, attracting over 6,000 researchers, business professionals and educators. This year's program offers more than 70 scientific sessions presenting the latest "cutting-edge" research through lectures, workshops, roundtable discussion and poster presentations.

About Axio Research Acquisition Co. LLC

Axio Research was founded in 1979 as a corporation dedicated to scientific advancement and discovery. Our founders are internationally recognized experts in the fields of Biostatistics, epidemiology, and medicine. During the past two decades, Axio's range of service has encompassed both government-sponsored clinical trials and full contract research services for commercial clients. Our senior scientists bring a wealth of knowledge and experience to all of our studies. Axio's talented group of employees is dedicated to working with our clients to produce thorough, comprehensive clinical trial management. We draw from our pool of biostatisticians, project managers, physicians, data technicians, and computer programmers to create a team whose collective experience best fits a client's needs. We provide statistical and computer services including database design and consulting, data entry, data forms design, automated data collection systems and statistical analysis and interpretation.
